Workshop**

Wednesday, May 4 • 6:30-8:30 PM
Regional Meeting Room, Dublin City Hall

We are all part of the solution to reducing our resource consumption of waste, energy, water and more. This interesting and engaging workshop will focus on the principles of “Sustainable in 10”—ten actions that cost no money, create cost savings, and reduce your environmental footprint. The average “sustainable citizen” household can save over \$550 per year, while simultaneously eliminating tons, literally, of carbon dioxide per year (CO₂), thus reducing greenhouse gas emissions.

Workshops are free, but space is limited and registration is required. Register at es@dublin.ca.gov (preferred), or call (925) 833-6630.

SWIMMING LESSONS

The City of Dublin's swim lesson program is designed to promote learning in a safe and comfortable swimming environment. Our instructors are fully trained with the latest swimming and water safety instructional techniques.

Please read the course descriptions carefully before you select a class, to ensure that the student is placed in the appropriate level. Classes are available for all ages and abilities. Each level of the program includes training in basic water safety, in addition to the skills outlined below.

Swim lessons are held rain or shine.

Tiny Tots and Toddler Lessons

Pollywogs – Ages 6 months to 2 years

Guppies – Ages 3 years to 4 years

Are you looking to start your young child's relationship with the water? This water exploration class is designed to give young students exposure to water safety and swimming techniques. The adult is the primary instructor for the student and will be required to be in the water. All classes will be directed by an instructor who will lead the class through age-appropriate water games and beginning swimming techniques to enhance the child's comfort in the water. One child per adult.

Preschool Lessons (Ages 3 – 5 years)

For the following levels, the student must be willing to work without a parent in the water.

Minnows PS1: Water Exploration

Do you want to start your child in swimming lessons? This class focuses on the most elementary aquatic skills which your child will continue to build on as they progress through the swim lesson levels. At this first level, children start developing good attitudes and safe practices through supported teaching techniques that will enhance their comfort in and around the water.

Starfish PS2: Primary Skills

This class builds on the basic aquatic skills learned in the Minnows class and gives participants further success with fundamental aquatic skills performed to a slightly more advanced degree than the Minnows class. This level marks the beginning of independent aquatic locomotion skills.

Prerequisite: Completion of Minnows or equivalent course

Seahorse PS3: Stroke Readiness

This class is designed for children who can swim on their front and back for a minimum of 15 feet and are comfortable submerging themselves underwater. Participants continue to improve coordination of combined arm and leg actions. As in all levels, additional safety skills will be presented.

Prerequisite: Completion of Starfish or equivalent course

Youth Lessons (Ages 6 – 14 years)

Otters Y1: Introduction to Water Skills

Do you want to start your child in swimming lessons? This class focuses on the most elementary aquatic skills which your child will continue to build on as they progress through the swim lesson levels. At this first level, children start developing good attitudes and safe practices through supported teaching techniques that will enhance their comfort in and around the water.

Sunfish Y2: Fundamental Aquatic Skills

The objective of this class is to give participants success with fundamental skills. Participants learn to float without support and to recover to a vertical position. This level marks the beginning of true locomotion skills. Participants further develop arm and leg actions on the front and back that lay the foundation for future strokes.

Prerequisite: Completion of Otters or Minnows

Whales Y3: Stroke Development

This class is designed to build on previously learned skills by providing additional guided practice. Participants learn to survival float, swim the front crawl and elementary backstroke. The scissors and dolphin kicks are introduced, and participants build on the fundamentals of treading water. Participants also learn rules for headfirst entries and learn to enter the water headfirst from a seated position at poolside.

Prerequisite: Completion of Sunfish or Starfish

Marlins Y4: Stroke Improvement

Participants continue to improve their skills and increase their endurance by swimming familiar strokes at greater distances. Participants add the arms to the scissors kick for the sidestroke. Participants also start to learn the back crawl, breaststroke, and butterfly and the basics of turning at a wall.

Prerequisite: Completion of Whales

Dolphins Y5: Stroke Refinement

The purpose of this class is to improve coordination and refinement of strokes. Participants refine their performance of all the strokes and increase their distances. Flip turns on the front and back are also introduced. This class is designed for youths who can swim at least 15 yards in each swimming stroke.

Prerequisite: Completion of Marlins

Sharks Y6: Swimming and Skill Proficiency

Do you think your child has learned all they can about swimming? Guess again! This Sharks class is designed for youths that can swim at least 25 yards in each swimming stroke. Students will continue to work on advanced stroke technique and endurance while learning advanced swimming and water safety techniques.

Prerequisite: Completion of Dolphins or equivalent course

Private Swimming Lessons

Instruction is available on a one-to-one basis for both children and adults. Private lessons are for those who want more individualized attention. Private lessons are 25 minutes in length and held rain or shine. Children must be at least 3 years old to participate in private lessons.

Swim Lesson Assessment Day

Saturday, June 4, 10:00 AM-12:00 PM

Assessment periods will begin every 15 minutes

This is an opportunity for participants to spend a few minutes in the water with one of our experienced swim instructors. Participants will be separated into small groups based on ability. Swim instructors will review standard swimming techniques and give their recommendation of which level the participant should enroll in.

CUSTOMIZE YOUR SUMMER!

with **CAMP CONNECTOR**

Throughout this Activity Guide, you will see a number of camps that include a **Camp Connector** option. **Camp Connector** is a scheduling option designed to allow you to conveniently link together a full day of camp experiences. The **Camp Connector** provides supplemental pre-camp morning extended care, noon, or post-camp afternoon extended care. With **Camp Connector**, your child can experience a comprehensive, well-rounded summer camp program each week, and drop off and pick up at your convenience!

The **Camp Connector** is offered every week for select camps located at four locations: Shannon Community Center, Heritage Park, Dublin Library/Dublin Sports Grounds, and Stager Gym/Wells/Kolb/Dublin High/Swim Center. **Camp Connector** also allows you to customize an experience that fits **your** schedule **and** meets your child's interests. **Camp Connector** is available in conjunction with traditional day camps, as well as specialty camps, including sports, art, cooking, and science. Choose from a variety of day camps and specialty camps at the same location. When it's time for your child's camp to begin, our staff will walk your child safely to the instructor. Selected locations also offer morning and afternoon care. Awesome, right?

Here's how it works:

- 1 Register your child for a morning camp at one of the four locations.
- 2 Register for the noon **Camp Connector** at the **same connector** location where the camp is being held. Staff will pick up and supervise your child for the lunch hour (12-1 PM). **Please note that lunch is not provided.**
- 3 Register your child for an afternoon camp at the **same connector** location as the morning camp. Staff will ensure that your child is safely escorted to their afternoon camp.
- 4 If you are a working parent or need to drop off your child a bit early or pick them up a little later – register for the morning or afternoon extended care **Camp Connector** at the **same connector** location.

It's that easy!

Remember, **Camp Connector** is an add-on feature. You can sign up for a full day of camps, or those you want. If you do choose to utilize the **Camp Connector**, please register for your camp first, then select your **Camp Connector** options.

Please see page 34 for more information.

Join us for a nurturing two-, three-, or four-day thematic-based preschool program with an exciting curriculum that's fun and engaging, and includes parent participation. Staff fosters a warm and caring environment, where each child is free to express themselves, learn new preschool skills, and simply have fun! Students are taught basic social and emotional development, language, communication skills, pre-reading, and cognitive processing skills. We also offer special activity days, both on- and off-site.

Proof of age is required for final acceptance of registration. Children must be fully potty-trained; this program is designed for children who are completely responsible for their own toileting needs without diapers, Pull-ups, or disposable underwear of any kind.

This is a parent-participation preschool program where parents are encouraged to assist in the classroom a minimum number of times as follows, depending on class selection:

Tuesday/Thursday (two days per week students):

Parents are encouraged to volunteer a minimum of 2 times per session.

Monday/Wednesday/Friday (three days per week students):

Parents are encouraged to volunteer a minimum of 3 times per session.

Pre-K and Monday/Tuesday/Wednesday/Thursday (four days per week students):

Parents are encouraged to volunteer a minimum of 4 times per session.

All registered students will be assessed non-participation fees at the time of registration. If a parent elects to volunteer during

a session, and is able to fulfill their minimum parent participation requirement, previously assessed non-participation fees will be rolled over towards future preschool session non-participation fees. Non-participation fees will not be refunded during a session. However, they may be refunded upon termination, or at the end of the school year.

2016-2017 Parent Non-Participation Fee Schedule per session:

Resident/Non-Resident – \$60/Day

\$120 Tue, Thu students

\$180 Mon, Wed, Fri students

\$240 Pre-K and Mon-Thu students

Non-participation fees for the 2016-2017 school year must be paid in full prior to the onset of the session. If volunteer days are fulfilled, the non-participation fees will roll over to the next session.

ELEMENTARY
5 TO 12 YEARS

Quick Start Tennis

This program works by getting children involved in the game immediately. Specially designed nets and color-coded balls created by the USTA (United States Tennis Association) have revolutionized the game for beginning players. Within the first hour of stepping onto the court, children are playing the game, rallying with one another, and having fun. Scaling the game and court down to their size helps make the learning process easier and more fun. These classes give children confidence as they see their own immediate progress, and become more enthusiastic about continuing to play and improve. Green level classes prepare players to enter the Tennis Tournament Group: Novice level for players seeking more competitive direction.

Plan Your Visit

Dublin's Heritage Park provides a picturesque environment to walk, relax, picnic, play, and explore Dublin's heritage. Historic buildings preserved within the park include the St. Raymond Church (1859), Murray School (1856), the Kolb family house (1911) barns, and outbuildings. The grounds include vegetable and flower beds reminiscent of those common in the Kolbs' day.

The Heritage Park is adjacent to Dublin's Pioneer Cemetery, which was established in 1859. A walk along the path in the shade of giant oak and walnut trees takes visitors back in time. Inscriptions on old tombstones and historical signs provide an easy history lesson.

Park restrooms are located in the Old House building. The park has picnic and game tables and an area for children's imaginative play behind the Sunday School Barn. The Sunday School Barn, St. Raymond Church, and the picnic tables are occasionally closed for private events.

Visit the Murray Schoolhouse, Museum of Local History

The historic Murray Schoolhouse is open for self-guided tours during regular museum hours. The permanent exhibit allows you to follow the journey settlers as they travel from Ireland, live in New York, cross the great plains, and arrive in Dublin in 1846.

Visit the Kolb House, Historic House Museum

This 1911 Craftsman bungalow was the home of the Kolb family who lived and farmed in Dublin from 1900-2006. The house contains original furniture, décor and personal items that reveal the everyday lives of a typical family farm. Room exhibits and hands-on activities change with the seasons to reflect the real lives of this Dublin area farming family.

Walking Tours

Grab a walking tour map for a self-guided tour of Heritage Park and nearby sites of historic interest. Maps are available at the Murray Schoolhouse and the Sunday School Barn.

Docent-Led Tours

Guided tours offer links and lessons to local and California history. Tours can be customized for your school, group, and club or corporate outing. Tours begin in St. Raymond Church with an orientation video, and proceed to the Murray Schoolhouse, the Dublin Pioneer Cemetery and the Kolb House. Additional activities—including tractor and wagon rides, gold panning, a cemetery scavenger hunt, and tea or lemonade served with cookies—can be arranged when you make your reservation. Basic tour fee is \$3.50 per person. Reservations are required. For tour reservations and the full menu of add-on activities and prices, call (925) 556-4501.

SPECIAL EXHIBIT

Farm-to-Table: Dublin's Farmers**Opens April 16, through July 31****Little Classroom**

Explore Dublin's farming past and the lives of farmers in this valley. This exhibit highlights the Kolb Family and how they interacted with other farmers and businesses in the region. The Kolbs would take cattle to Moller Ranch for butchering. Walnuts went to Travis Boone's place. Chicks and eggs were sent to Hayward and then off to foreign markets. Bushels of tomatoes were shared. Photos and personal documents help tell the story of how Dublin's farmers cooperated with kin and community.

SPECIAL EVENTS

Walking Tour**Saturday May 14, 10:00-11:30 AM****Sunday School Barn**

Explore Dublin's Historic District on this free, guided tour. The walk will start at the Sunday School Barn and take you through Dublin's history. Visit the location of Jose Maria Amador's rancho next to the fresh water "Alamilla Springs," the reason for settlement here. See Dublin's first public buildings, the 1856 Murray Schoolhouse, the 1859 St. Raymond Church, and the 1860 Green Store. The walk is moderate, on mostly flat terrain. Bring a water bottle and wear comfortable shoes.

2016, the Year of the Farm

Explore Dublin's farming past with a year of enriching programs at the Dublin Heritage Park & Museums. Plant and help tend a real Farm Yard! Tour historic farm buildings and have some hands-on fun doing old time chores. Discover what farmers of yesterday can teach us today about growing food, living skills and community.

Spring

Come for Dublin Pride! Help clear the land and prepare the soil for the Farm Yard. Return the next week to till the soil and plant the seeds at the annual Spring Fair. Children and families can "churn-and-learn" in the Dairy Pen making butter, whipped cream, and ice cream. Milk our "cow" Elsie. Bring your old costume jewelry and upcycle in the DIY Pen where tin cans will be turned into unique creations. Have lunch at the family-style Farm Tea Lunch in the Sunday School Barn. Learn how local farms produced beef, grains, tomatoes and roses at the Farm-to-Table exhibit in the Little Classroom of the Murray Schoolhouse, where we will raise the question: Could Kolb Farm chicks be the ancestors of Hawaii's famous wild chickens?

Summer

Kick-back with some Farm-to-Table fun for the whole family on warm, summer nights on the lawn in front of the Hay Barn. Bring a chair or a blanket and listen to (or join in) live Bluegrass and Irish Old Tyme Jams. Children's activities will be led in the Farm Yard. Take a peek inside the Kolb House windows to see what the Kolb's might be doing on a summer evening, mid-century. Gardeners, historians and interpreters will be on hand to guide and chat.

**Fall**

Visit the exhibit *Highway 21: Pleasanton to Danville* as it takes you along historic roadways, traveling past local farms, ranches, orchards and dairies. Learn how Dublin farmers contributed to national food production. Bring the family to the Harvest Fair where you can ride the wagon and take part in hands-on-history activities. Peek inside the Kolb House windows, and get a glimpse of fall. Help harvest the farm yard, and share in the bounty. Tour the cemetery and hear intriguing stories of old Dublin at our *Ghosts of Dublin* event in late October.

TRADITIONAL MUSIC JAMS

Musical Gatherings

Dublin welcomes both musicians and music fans to enjoy traditional music in our Murray Schoolhouse Little Classroom on Tuesday evenings. Enter through the Museum entrance. Admission is free, however donations are gladly accepted and help support the Dublin Heritage Park and Museums.
